If you wish to use a wildcard in your search use the asterisk “*”.

1. Choose the record type from dropdown.

The screenshot shows a web browser window with the URL http://obweb2/PA_PandD/. The page has a language dropdown set to 'English'. A dropdown menu is open, showing the following options: 'Web-PD-Aerials', 'Web-PD-BldgPermit' (highlighted), 'Web-PD-FirewordPermits', 'Web-PD-SignPermits', 'Web-PD-StormwaterPermits', and 'Web-PD-TempUse'. Below the dropdown are input fields for 'PIN Number' and 'PDBldgPerm-Permit Number'. At the bottom, there is a 'Powered by...' logo for 'OnBase' and 'Search' and 'Clear' buttons. A blue arrow points from the text '1. Choose the record type from dropdown.' to the dropdown menu.

- Enter at least one search criteria (permit number, address or PIN). If you do not have all the information for example the only information you have is the street, use the wildcard. See example.
